

Royal College of
Obstetricians &
Gynaecologists

National Trainees Conference 2018

Birmingham, UK

6-7 December

Abstract submission now open!

Five reasons to enter your abstract and attend **#NTC2018**:

- Get your PubMed citable abstract published in BJOG
- Present your work on a national platform
- Enhance your CV
- Share your experiences and engage with other trainees
- Interact with our unique programme of speakers

If you love O&G but sometimes feel as if training is a tick box exercise, if you're considering your career options within O&G, or if you're simply looking for an update on a diverse range of topics within our specialty, then this is the Conference for you.

The deadline to submit your abstract is **Monday 9 July 2018**
