

Diabetes and Endocrinology Taster Event
Wednesday 28th November 2018
13:30-19:30

Getting ready to apply for medical specialty training? Come along to this free event and let us convince you that diabetes and endocrinology is the specialty for you.

Attendees are invited to submit interesting clinical cases for a short presentation to andrew.kernohan@ggc.scot.nhs.uk. Prizes will be awarded for the best presentations.
