

## GU/HIV Medicine Taster Day 2017

Are you a Foundation Year or Core Medical Training Doctor?  
Would you be interested in a career in sexual health and HIV?

### Day 1 – series of talks:

**Monday 30<sup>th</sup> October 2017 (HEE London & South East, Stewart House, Russell Square, London)**

- Learn about the specialty, service developments and future medical workforce requirements
- A day in the life of a GU/HIV consultant
- Understand training requirements, the curriculum and how it is delivered
- Learn about research opportunities and OOPes abroad
- Informal discussions with Programme Directors, Educational Supervisors and SpRs in GU Medicine
- Discuss topical sexual health and HIV scenarios

### Day 2 – placement day (date negotiable between centre and trainee):

**Optional – limited places (various hospitals across London/Brighton)**

- Shadow clinical staff in a variety of settings and training locations
- **Settings:** HIV and GU outpatient clinics, HIV ward rounds, MDT meetings, Young Persons clinics, etc.
- We will match you with a hospital for placement – the date can be negotiated with the centre

**Registration and admission is free, but a £50 deposit cheque is required (non-negotiable) to secure a place. Places are limited, particularly for day 2. Please apply for study leave and return your application form and deposit cheque early.**

To register please contact:

Alison Barbour

Consultant HIV & Sexual Health

Croydon University Hospital
