

Become an Associate Member of the RCPsych for free

Think you might Choose Psychiatry as your specialty? Not sure where psychiatry can take you?

The RCPsych is offering free membership to students and foundation doctors that want to learn more about psychiatry as a career.

Membership gives you the opportunity to -

- **Network:** you'll be invited to events aimed at your career stage and receive discounted rates for the College's International Congress
- **Learn:** with free access to e-learning modules through Trainees Online (TrOn)
- **Stay up to date:** through regular newsletters and updates from the College and free access to many of the College's fantastic journals like BJ Psych.
