SAFETY AND SUSTAINABILITY IN RURAL SURGERY

THE VIKING SURGEONS' CONFERENCE 2017

This conference will bring together many of Scotland's current surgical trainees with a long-established network of remote and rural surgeons - the Viking Surgeons' Club. The conference will explore the current reality of Scottish rural surgical service provision, offer updates into the management of surgical subspecialty emergencies, and provide an introduction to remote and rural surgery with the aim to inform and inspire trainees.
