Royal College of Physicians of Edinburgh

Gastroenterology & Hepatology

Thursday 12 November 2026

09:25 - 17:00

Online or on-demand

Sessions covered include:

- Inflammatory Bowel Disease (IBD)
- Managing liver disease: challenges for now and the future
- Gastroenterology at the front door
- Working across specialties – multidisciplinary expertise for complex patients
- Professor Anne Ferguson Lecture – Providing gastroenterology, hepatology and endoscopy services: coping with the rising demand: Dr Harriet Gordon, President, BSG

Join leading experts in gastroenterology and hepatology at this online symposium exploring the latest advances in Inflammatory Bowel Disease, liver disease, acute gastroenterology presentations, and multidisciplinary patient care. Through expert lectures and case-based discussions, delegates will gain evidence-based knowledge to enhance the management of both common and complex gastrointestinal and liver conditions.

Speakers: Prof Matthew Armstrong, Dr Fraser Brown, Dr Thomas Conley, Dr Shahida Din, Dr Atit Ghoda, Prof Laura Hancock, Dr Rahul Kalla, Dr Dina Mansour, Dr Joanna Moore, Prof Siew Ng, Dr Sean Ninan

Prof Matt Rutter, Dr Solange Serna, Dr Ajay Verma, Dr Christopher Wells, Dr Wojtek Wojcik.

The symposium is open to acute and general physicians, gastroenterologists, hepatologists, specialist trainees, and internal medicine trainees.

Catch-up will be available to registered delegates for 28 days post event.
