

A CAREER IN ANAESTHESIA

9 October 2019 | RCoA, London

Join us for an inspiring morning of talks and breakout sessions to gain an insight into what it takes to become an anaesthetist. Hear about the recruitment and training process from those who have gone through it, and find out more about what life as an anaesthetist entails.

Sessions include:

- intensive care medicine
- ACCS anaesthetics
- recruitment and application processes
- life as an anaesthetic trainee
- the future of anaesthesia and the skills required.

'An incredibly informative experience, which has given me the confidence to apply for anaesthetics as my future career'

'Great opportunity to hear about current trainees' experiences and to de-mystify the application process'

Delegate feedback from October 2018
