

# PATIENT SAFETY AND QUALITY IMPROVEMENT

## TRAINEES, MEDICAL STUDENTS AND ALLIED HEALTHCARE PROFESSIONALS

This multidisciplinary event will play host to a variety of eminent speakers from acute care, the Royal College of Physicians and Surgeons of Glasgow, the Royal Society of Medicine and the airline industry who will share their knowledge and expertise on patient safety and quality improvement, staff wellbeing and human factors.

Interactive workshops will allow delegates to explore particular topics in more depth and discover ways to improve patient care in everyday practice. Delegates who have submitted abstracts will have the opportunity to share their projects with peers and colleagues from other organisations in an all teach all learn environment.
