# **TURAS**

### MEDICAL FOUNDATION FY1/FY2 Trainee Turas Training Portfolio Release Notes 05/09/2023

### **SUMMARY**

ALS/ILS is no longer mandatory and therefore it is now not a requirement for Medical Foundation Administrators to confirm any ALS/ILS certificates before FY1/FY2 trainees can link to their curriculum.

#### **PREVIOUSLY**

FY1/FY2 trainees would upload their ALS/ILS certificates, but would require confirmation from the Administrator before they could link it to the curriculum:

landatory Certificates			
Certificate	Expiration Date	Confirmed	Actions
Immediate Life Support (ILS)	31/03/2024	No	Actions 👻
Advanced Life Support (ALS)	30/06/2024	No	View Update
			Delete

Once confirmed, the Trainee would then be able to link the certificate to the curriculum:

Certificate	Expiration Date	Confirmed	Actions
mmediate Life Support (ILS)	31/03/2024	Yes	Actions 👻
			View

<u>NOW</u>

FY1/FY2 Trainee adds the ILS/ALS certificate through the usual process, via the Mandatory Certificates page:

				🗘 My Turas Applications - 🞹
Home Forms - Curriculum & I Mandatory Certificate		Tickets - Reflectio	ns & Achieveme	Tammy TraineeFYOne tammytraineefyone@example.com View or edit profile
ortfolio Homepage > Mandatory Certifi	cates			Sign out
What you need to know			_	Sign out
> What mandatory certificates do	I have to complete?			
> How do I link a certificate to the	curriculum?			
Record New Certificate		Status	;	
You have completed the training for a mandatory certificate and would like the evidence to your portfolio		ate	FY1 None	FY2 None
New Mandatory Certi	ficate			
New Mandatory Certi		cate
