## Further information regarding teaching sessions

- Microsoft Teams sessions: If possible, please keep your camera on during these sessions, as this helps to make the sessions more interactive. Thank you.
- DDEC venue – this is the Dundee Dental Education Centre, Frankland Building, Smalls Wynd, Dundee, DD1 4HN. Map: <https://maps.app.goo.gl/EJ2NG5s8xaoGLXiC7>
- Please note that some sessions are repeated (e.g. sustainability virtual update), and we would ask that you only attend these sessions on one occasion over the course of your GP training.
- Some sessions are delivered on a national (Scotland-wide) basis and this is noted in the schedule in the 'facilitators' column

## **PBSGL**

- ST1 Trainees who completed their GP placement between August 2023 – February 2024 can choose to arrange self-directed PBSGL sessions instead of the East Region taught sessions listed above.
- PBSGL sessions will be over Microsoft Teams, unless trainees prefer to meet in person and are able to arrange a suitable venue to do so. Advised time 2-3 hours with a designated break.
- PBSGL groups use the same Teams link for each meeting. These will be emailed to trainees.

## **Additional Learning Activities**

- There are a range of additional learning activities available out with the regional teaching programme.
- These include local learning activities and national resources for MRCGP exam preparation
- Further details of the available resources can be found at: [Additional Learning Resources.docx](#)
