

Your career in anaesthesia

16 October 2024

Online, Zoom

**£50 Non-Members/Free attendance for
Members**

**Are you a medical student or
foundation year doctor and
considering a career
in anaesthesia?**

This day will focus on the general aspects of a career in anaesthesia, providing an insight into life as a trainee and then on into SAS Doctor or Consultant roles. Sessions will include:

- life as an anaesthetic trainee
- how to prepare for your interview
- recruitment and application processes
- the future of anaesthesia and the skills required.
