

Researching Medical Education 2024

Making it matter: Meaningful and impactful research in health professions education

14 November 2024 | Friends House, London | In-person event

Enabling meaningful and impactful health professions education research means ensuring robust and appropriate research approaches translate to meaningful and useful outcomes, that are relevant to stakeholders. It is also about targeted dissemination and engagement with those who are in a position to utilise research findings.

Dr Geoff Wong,
Associate Professor of
Primary Care,
Nuffield Department
of Primary Care
Health Sciences,
University of Oxford

**Professor Pim
Teunissen, MD, PhD**,
Workplace Learning
in Healthcare,
Maastricht University
