

A rewarding & unique GP
experience at Portree Medical
centre, Isle of Skye

RURAL
FELLOW
@
PORTREE

VARIETY

Experience the full **variety** that rural practice can offer in addition to routine GP work:

Host weekly **peripheral clinics** in more remote parts of north Skye and the **Isle of Raasay**

Work closely with the **MDT** to provide in-hours inpatient care for **frail elderly, rehab** and **palliative** patients at our 12 bed **community hospital**.

CONTINUITY

We pride ourselves on providing excellent continuity of care via:

Close relationships with community nursing colleagues allowing **excellent palliative care** provision at home.

GP led palliative & step up/step down beds in the community hospital.

Dedicated **GP home visits** sessions to provide continuity of care for housebound patients

Weekly **MDT** meetings with community colleagues.

SUPPORT

Supportive small practice environment with:

Broadford Hospital & rural emergency practitioners only 30 minutes away

No practice OOH commitment

Opt in for BASICS responder if you wish

Community support with finding accommodation

EDUCATION

Supportive & learning culture with:

Protected monthly whole team **education sessions**

Supportive undergraduate & postgraduate **training practice** with 2 GP trainers. Opportunities to participate in medical education if desired.

Local active **PBSGL** groups for CPD opportunities and networking

Host centre for RCPE evening update series

MUSIC & CULTURE

Experience more of Skye & Hebridean culture with:

Active **Traditional music scene** and regular music festivals & live events.

Cinema and active **film club**.

Gaelic language opportunities

Fantastic local restaurants & **food & drink scene**

ACTIVE

There is loads on offer for the outdoors enthusiast:

Mountaineering, hiking & climbing clubs.

Climbing wall, gym & fitness scene.

Active sports & social clubs including: Running, cycling, football, rugby & shinty
