The methodology used to create these reports is explained in the non-technical and technical reports. The results are benchmarked against the results from trainees across Scotland at the same level. If you wish to view the methodology reports, please email DeaneryQualityManagement@nes.scot.nhs.uk "Significant Change Indicators" (▲ or ▼) show a 95% significant change in the mean score for a unit and do not indicate a change in outcome. Rows in italics and blue contain aggregated results.

Green	Performing well for this indicator
Lime	Performing above average for this indicator
White	Performing is about average for this indicator
Pink	Performing below average for this indicator
Red	Performing poorly in this indicator
Grey	N<3
▲	Significant improvement in mean score since previous year
▼	Significant deterioration in mean score since previous year
—	No significant change in mean score
