**Audience:** Doctors interested in returning to clinical practice after an extended break and those interested in or already supporting someone returning.

This learning session aims to support doctors returning to clinical roles after an extended break. It will provide practical guidance, share lived experiences, and showcase resources designed to make the transition smoother and more confident.

### Why Attend?

- Understand why **Return to Practice work matters** for patient care and workforce sustainability.
- Discover the new **Turas Return to Practice pages** - your essential resource for guidance and tools.
- Hear a **lived experience story** from a doctor who successfully returned after an extended break.
- Learn from the **Return to Practice Anaesthetists showcase in NHS Greater Glasgow & Clyde** - a model of best practice.
- Join a discussion to **share ideas and get answers** to your questions.

Speakers include **Lindsay Donaldson**, Deputy Medical Director, NHS Education for Scotland; **Claire Marletta**, Scottish Clinical Leadership Fellow; **Eleanor Morris**, Consultant Anaesthetics, NHS Fife; and **Clare Bridgestock**, Consultant Anaesthetist, NHS Greater Glasgow & Clyde.

*Join us for an informative session while sharing ideas and experience with others in NHS Scotland.*
