

UK Kidney Starter Network

# TASTER COURSE IN NEPHROLOGY

**Friday 23 January 2026**  
**Virtual Event: 9.15 - 16.30**

Are you a Resident Doctor or Medical Student  
interested in a career in Nephrology?

**Come and be inspired!**

## WHY NEPHROLOGY?

Find out what it's like to work as a  
registrar and consultant.

## WHAT IS NEPHROLOGY?

How to manage glomerulonephritis,  
kidney transplantation and  
end-stage kidney disease.

## CAREER OPPORTUNITIES

Beyond "pure renal" – teaching,  
research, leadership, working  
abroad and dual accreditation.

## HOW TO APPLY

What you need on your CV, what  
the interview is like and how likely  
you are to get a training number.

### **National poster presentation and prize opportunities available!**

- Submit your abstract to [renaltastercourse@gmail.com](mailto:renaltastercourse@gmail.com) by 17:00 on Friday 2 January 2026.
- Any kidney-related project is eligible - research, audit, QIP or teaching.
- Abstracts should be a maximum of 300 words excluding the title and written in the format: 'Title, Background, Methods, Results, Discussion' with your name and the names of any co-authors and supervisors.
- Authors of all accepted abstracts will have the opportunity to present an electronic poster at the Taster Event, counting as a national poster presentation for applications.
- Best poster prize available.

**VISIT EVENTBRITE & BOOK ONLINE NOW FOR JUST £10**
